## SAM and D&B Registration Information

Vendors wishing to do business with ORNL must be registered in SAM (System for Award Management) and maintain their registration annually. (This registration is free.)

- To register in SAM, you will need a D-U-N-S number from Dun and Bradstreet (D&B) (This is also free).  
Please note that a D-U-N-S number is a unique nine digit identification number that is assigned for 'each' physical location of your business. The address on your D-U-N-S record must match the address we have on our supplier database for you.
- Please visit this site to obtain a D-U-N-S number: <http://fedgov.dnb.com/webform/>
- Visit this site to register in SAM: <http://sam.gov/> Help desk number is 866-606-8220.

Demo videos are available under the 'HELP' tab.

The screenshot shows the SAM.gov website interface. At the top left is the SAM logo with the text 'SYSTEM FOR AWARD MANAGEMENT'. To the right are login fields for 'USER NAME' and 'PASSWORD', a 'LOG IN' button, and links for 'Forgot Username?' and 'Forgot Password?'. Below the login fields is a 'Create an Account' link. A dark blue navigation bar contains tabs for 'HOME', 'SEARCH RECORDS', 'DATA ACCESS', 'GENERAL INFO', and 'HELP'. The main content area is divided into three columns: 'CREATE USER ACCOUNT' (with a 'Create User Account' button), 'REGISTER/UPDATE ENTITY' (with a 'Register/Update Entity' button and a 'New!' badge), and 'SEARCH RECORDS' (with a 'Search Records' button). At the bottom, there is a 'WHAT IS SAM?' section with a 'Need Help?' button and a paragraph of introductory text.

**SAM.gov REGISTRATION IS FREE:** There is **NO FEE** to register, or maintain your registration, in the System for Award Management (SAM.gov). If you receive an email from a company claiming to represent SAM.gov, be cautious. If you get an e-mail from a company offering to help you register in SAM.gov asking you to contact them and pay them money, be cautious. These messages are not from the Federal Government. It is **FREE TO REGISTER** in SAM.gov for any entity.
